

\*

Kodaly Choir is open to students in grades four through six. We will be meeting every Tuesday and Thursday during the second half of first Nutrition Break. This is a music enrichment opportunity where students will learn approximately 15 songs from all over the world and in several different languages. In May, we perform at Centre in the Square with other schools from across the board. Typically, there are over 500 students on the stage!! We also perform during school assemblies and parents are encouraged to come and see us.

Our first meeting is Tuesday October 10<sup>th</sup>. Come and check it out!
