

November 21, 2017

Dear Parents/Guardians,

As part of the Junior Music Curriculum, students are learning to read sheet music and apply musical theory. For the past few weeks, the students have been participating in the "Staff Olympics" where we play games that are designed to help students memorize the note names. It's been a lot of fun and we are ready to start applying our knowledge.

We will begin learning to play the Soprano Recorder during class time. It is important that each student has his/her own recorder and music book. Since we are ordering so many recorders, we have negotiated a deal through the local music store. You have the opportunity to purchase a Yamaha three-piece recorder through the school at a reduced rate. The recorders are \$7.00 and the music books are \$3.00.

Some students already have a recorder at home which is great. If the recorder was not bought through the school, I ask that you bring it in for me to see. There are different kinds and pitches of recorders and it is important that we are all playing the same. **Please return your order form and/or bring your recorder from home by November 29th.** Feel free to contact me for any reason!

Sincerely,
Crystal Thomson
