Absences: All final examinations must be written on the days and at the times shown on the evaluation days and examination schedule. **It is each student's responsibility to be in the right place at the right time.** During the evaluation days the week of June 14th – 19th, students are expected to attend all classes and specified assessment periods. During the exam week of June 20th – 26th, students are required to be in school only when writing exams. If students are absent for an exam their grade may be impacted unless a medical certificate is submitted by the last day of the exam cycle.

Lates: Plan to arrive 15 minutes before the exam to prepare and to return texts. If you arrive late, report to the Main Office. There may be a time penalty for late arrivals.

Conflicts: A conflict is when two exams are scheduled at the same time (two exams on the same day is not a conflict). Students with conflicts should complete a Conflict Resolution form (located in the Main Office). See the Vice Principal responsible for exams prior to the examination period.

Materials: Students must leave books, coats, and electronic devices in their lockers. Only writing instruments and other approved aids should be brought into the exam room. Calculators are allowed on all exams unless instructions at the top of the exam state otherwise (cell phones may not be used as calculators). If brought into the room, all handheld electronic devices must be powered off and stored out of sight for the duration of the exam. Any students found using unapproved examination aids may have their exam taken away with academic consequences.

While in the Exam: Students are not to remove any paper from the examination room. No talking during the exam. Sit where instructed to by the exam supervisor, and remain seated until all the papers are received and the teacher dismisses the class.

NO EARLY DISMISSAL for any 1.5 hour exam. For two hour exams, follow teacher instructions. Leave the school following an exam. Avoid going to lockers if exams are still being written, and be very quiet in the hallways. Students will wait until all exams are collected before being dismissed.

Study Areas: The Library will be closed during exams. Students who wish to talk, eat, or study in groups may use the cafeteria. Other areas of the school are out of bounds. Computers are NOT available for use during this time.
