Online Blended Courses

New for 2016! All first semester night courses will be offered in an Online Blended Format. An online blended course provides a flexible learning environment where a student completes a course using a variety of online resources and attends some classes face-to-face with the teacher and fellow classmates. Students, using a computer and the Internet, can access the online resources seven days a week, at all hours, for the duration of the course.

Mandatory Dates

The following dates are required attendance at CHCI from 6:00 - 9:30 p.m.: Monday Sept. 19, Thursday Sept. 22, Thursday Oct. 6, Thursday Oct. 20, Thursday Nov. 3, Thursday Nov. 17, Thursday Dec. 1, Monday Dec. 12, and Thursday Dec. 15. The dates that are not required attendance allow the student to work on the course work on their own time or attend class at CHCI for one-on-one support.

Night School Online Co-op

Are you working? Do you still need to complete your high school diploma?

Earn up to 3 Credits!

If the answer to both of these questions is yes, then night school online co-op is for you. The co-operative education program is designed for students who are not registered in a day school, who are 19 years and older, and need to fulfill their credit requirements for graduation. Students must obtain their own position or volunteer placement and have Internet access available to complete the required course materials.

Note: Courses may not run due to insufficient enrollment, so register early!

Weather closures: Do not call the school. Information will be provided to local radio stations, as well as on the WRDSB corporate site.

Transcripts to be sent to OCAS or OUAC require you to complete an Official Transcript Request Form. There is a fee involved for this service dependent upon the number of copies required.

Night School Registration: Fall 2016
