Athlete Code of Conduct (2016-2017)

Participation in the Glenview Park Athletic Program carries certain responsibilities.

A. Eligibility Requirements

1. Athletes must be registered as full time students as described by OFSSA.
2. Athletes must be eligible according to WCSSAA transfer rules (gr. 10-12 students new to Glenview).
3. Athletes must purchase a current Glenview Park Student card and pay the WCSSAA athletic fee.
4. Athletes must meet WCSSAA age eligibility requirements.
5. Athletes may play only one sport per season. (exception is badminton).
6. Athletes must satisfy all other components of the Athlete Code of Conduct.

B. Attendance

1. Athletes are required to attend all classes on practice and game days.
2. Athletes must complete any missed work or tests as a result of game day absences.
3. Athletes must attend all practices and games.
   (failure to attend practices will be interpreted as a lack of commitment)

C. Uniforms

1. Athletes must wear a team uniform during all games.
2. Athletes must dress in an appropriate fashion on travel dates.
3. Athletes must return school uniforms (washed) promptly after the last league game.

D. Deportment

1. Athletes are expected to be conscientious students and good citizens of the school.
2. Athletes will follow all school rules while traveling and competing on behalf of Glenview Park.
3. Athletes will display good sportsmanship at all times when dealing with teammates, coaches, opponents, officials and spectators.

E. Commitment

1. Once a commitment to a school team has been made, a player must follow through with this commitment. This commitment should not be based on the amount of playing time. It is unfair to teammates and coaches to leave a team mid-season. It is also unfair to other aspiring players who have failed to earn a place on the team.
2. Any player who quits or is removed from a school team after the eligibility lists are submitted may be ineligible to play on any Glenview team for one calendar year. An exception to this policy can be made if the coach and player reach a mutual agreement that the departure of the player is in the best interest of all concerned.
3. No refunds for sport fees will be given after the first league game.
