## 4<sup>th</sup> ANNUAL FUN FAIR!™

Wednesday, June 8<sup>th</sup>, 2016 - 4:30 – 7:30pm

Planning has been underway for several months for our 4<sup>th</sup> Annual Fun Fair at Moffat Creek. Stay tuned for information coming home and to the school website and Twitter feed (@MoffatCouncil) for exciting news about this event and how you can be involved in the fun! Be sure to save the date.

## THEMED GIFT BASKET AUCTION

 Donations due to your classroom teacher or the office by  
**FRIDAY, MAY 6<sup>TH</sup>, 2016**

Once again this year, with your help, we will be bringing our specially themed gift baskets to the Fun Fair Silent Auction this year!

Along with Moffat Staff and your School Council, we are asking each student/family to donate, as they are able, an item or two for a themed basket for the Fun Fair Silent Auction. Each GRADE has been assigned a Summer-fun theme – you can find yours in the column on the left of this newsletter!

We are asking that each child bring in one item related to their assigned theme to be put into the basket. Some suggestions are given for each theme, but please be creative with your donations! If you would prefer to send in a monetary donation, then we will purchase appropriate items to be put into the basket. Depending on the number of donations brought into the school, School Council will put one or multiple baskets together to be auctioned off at the Fair. Please send contributions into the school by **Friday, May 6<sup>th</sup>, 2016.**

We are also in need of baskets and cellophane wrap! If you have any empty baskets at your house of any shape or size, we would greatly appreciate receiving them.

Thank you for your support! We look forward to proudly displaying our students' efforts, and seeing who will be the winner of some great summer fun in a basket!

*All of the beautiful gift baskets will be on display in the school foyer during the days leading up to the Fun Fair! Come browse the selection and cast an early bid to try to win your favourite basket!*

## Inside Story Headline

The purpose of a newsletter is to provide specialized information to a targeted audience. Newsletters can be a great way to market your product or service, and also can create credibility and build your organization's identity among peers, members, employees, or vendors.

First, determine the audience of the newsletter. This could be anyone who might benefit from the information it contains, for example, employees or people interested in purchasing a product or in

requesting your service.

You can compile a mailing list from business reply cards, customer information sheets, business cards collected at trade shows, or membership lists. You might consider purchasing a mailing list from a company.

Next, establish how much time and money you can spend on your newsletter. These factors will help determine how frequently you publish your newsletter and its length. It's recommended that you publish your newsletter at

least quarterly so that it's considered a consistent source of information. Your customers or employees will look forward to its arrival.

Your headline is an important part of the newsletter and should be considered carefully.

You can also research articles or find "filler" articles by accessing the World Wide Web. You can write about a variety of topics, but try to keep your articles short.

Much of the content you put in your newsletter can also be used for your Web site. Microsoft Word offers a simple way to convert your newsletter to a Web publication. So, when you're finished writing your newsletter, convert it to a Web site and post it.

The subject matter that

appears in newsletters is virtually endless. You can include stories that focus on current technologies or innovations in your field.

You may also want to note business or economic trends, or make predictions for your customers or clients.

If the newsletter is distributed internally, you might comment upon new procedures or improvements to the business. Sales figures or earnings will show how your business is growing.

Some newsletters include a column that is updated every issue, for instance, an advice column, a book review, a letter from the president, or an editorial. You can also profile new employees or top customers or vendors.

Selecting pictures or graphics is an important part of adding content.

In a few words, it should accurately represent the

One benefit of using your newsletter as a promotional tool is that you can reuse content from other marketing materials, such as press releases, market studies, and reports.

While your main goal of distributing a newsletter might be to sell your product or service, the key to a successful newsletter is making it useful to your readers.

A great way to add useful content to your newsletter is to develop and write your own articles, or include a calendar of upcoming events or a special offer. Your headline is an important
