

Trillium Public School Council

Annual Report For the 2018-2019 School Year

Dear Parents and School Community:

Welcome to the 2019-2020 school year! We hope you had a safe and happy summer. Although I am new to Trillium P.S. this year, I have been updating myself about the activities of The Trillium School Council last year and it sounds like they had a very rewarding year. The School Council held a number of meetings and worked on various issues during the year, including fundraising ideas, lunch days, and the School Carnival (Fun Fair). These meetings were open to the public to encourage input from parents and other members of the school community.

The purpose of the School Council is to help improve student achievement and to enhance the accountability of the education system to parents. School Councils are advisory organizations. A School Council's primary means of achieving its purpose is by making recommendations to the principal of the school and the school board. Boards and principals are responsible for considering the recommendations made by each School Council and for advising the council(s) of the actions taken in response to the recommendations.

Additional achievements of the School Council in last year included the Dance a-thon and helping to subsidize both student planners and the cost of grade six camp. Fundraising activities were also conducted, with the proceeds being largely allocated toward updating or replacing our playground as well as to fund projects in accordance with school board policies. These fundraising activities were a huge success due to School Council leadership and hard work from students, parents, and families.

We wish to acknowledge the hard work and dedication of the many individuals who volunteered their time to contribute to the success of the School Council last year. Finally, we would like to welcome you to the 2019-2020 School Year and hope you can join us for our first School Council meeting on Wednesday, September 11 at 6:00 pm.

Sincerely,

Siobhan Shonk
Principal
