About the camp

Build confidence, swimming skills, friendship, healthy / active bodies – all while having fun and making friends!

Our camp provides a fun and supportive team based environment where every camper has an opportunity to improve swimming skills and achieve success at his or her level of ability.

We work in the best interests of the camper so that everyone will have a positive and successful week. A week that is fun and personally rewarding.

The camp is run by KW Synchro, a non-profit organization affiliated with the city of Kitchener and city of Waterloo. Our club is grounded in the philosophy of long term development and strives to foster the values of innovation, teamwork and leadership.

We welcome diversity above and below the waves. All swimmers are welcome.
