

Playground Open House

Wednesday, April 25, 2018

6:30 p.m. in the library

All are welcome!

Our goal of installing a new playground for age 2-5 year olds to make our beautiful playground even more inclusive and community friendly is becoming much closer to reality! We want to be a community hub where families come to connect and enjoy much needed outdoor play time.

We have raised over \$21000 on our way to our goal of \$45000. Applications are in for a City of Kitchener Neighbourhood Matching Grant and a Hydro One grant. We continue to fundraise and anticipate being over \$25000 by the end of June. With a grant we will be good to go!

We are seeking community input - please join us to tell us which design you would like to see installed and why you made that choice. The more input we get the better we will be able to meet both school and community needs. Your opinion and support matter to us!

Take a look at the 4 designs on the back of this paper and tell us what you think!

Please complete and return to the school by April 25.

Name: _____

Address: _____

Check all that apply.

Yes! I support the new playground for ages 2-5 year olds and think it would be a great addition for the Alpine community.

Yes! Members of my family will use the playground!

Yes! I would like to make a financial contribution.

Comments:

My favourite design is _____ because _____

Donate online www.alp.wrdsb.ca Alpine Playground Fund

Tax receipts will be issued for donations over \$15.

Cheques should be made payable to Alpine Public School.
