Dear Bluevale Community:

We are so excited to invite you to Bluevale's first ever Dance Marathon! This is an event for students, by students, taking place on Thursday, May 19th, 2016 from 5:00-10:30 p.m. All participants will be pledging to dance for five hours to raise funds and awareness for children treated at McMaster Children's Hospital. Our goal is to raise \$10 000 for this cause, one that is so close to our community and our hearts. But we will need your help!

In order to participate in this event you will need to:

- **Register online at: [www.HelpMakeMiracles.ca/Event/Bluevale](http://www.HelpMakeMiracles.ca/Event/Bluevale)**
- **Fundraise a minimum of \$40 for McMaster Children's Hospital.**
- **Next, bring your \$10 cash participation fee (not included in the \$40 fundraising minimum) to our Dance Marathon Headquarters at the KRT office to finalize your registration and pick up your t-shirt and ticket!**

**NOTE:** All donations will be submitted online. Tax Receipts will be provided by the Children's Miracle Network when donors provide their personal information online. Pledge sheets are available for those making cash donations who wish to receive a tax receipt. All cash donations must then be converted into online donations via credit card (Visa, Mastercard, American Express) or PayPal. **All finances will be submitted through our website:**

**Want to get more involved?**

**Students:** We are looking for onsite crowd pumpers, event volunteers and live performers. Volunteers hours provided. Please email us by May 1st if you are interested.

**Adults:** We are looking for volunteers to assist with supervision, along with performers and donations of food, merchandise, or monetary value. If you or your company would be interested in donating in any way, donation receipts and promotion at our event will be provided.

We would greatly appreciate your help! For any inquiries, please email [bcicoprez@gmail.com](mailto:bcicoprez@gmail.com).

Thank you for all of your continuous support in our efforts to make a difference as a community. Hope to see you at our first ever Dance Marathon on Thursday, May 19th, 2016!

Sincerely,

Talia Rampelt and Adam Snyder
