On Line School Year Information Package

In an effort to reduce costs and save paper, the **WRDSB School Year Information** package that had previously been sent home with your student at the start of the school year, will continue to be available online again this year. Please visit our website at <http://bci.wrdsb.ca/> and click on School Year Information to view the package.

This online package contains information regarding school year start-up such as; the school year calendar, safe schools protocol, and other information that may be helpful for a successful year in school.

Improved Communication

Data has shown us that the most effective communication tool requested by parents is email. Bluevale has always been pleased to provide parents/guardians and students with the ability to receive important messages from the school via home or cell phone. If you would like to receive email messages from the school, please go to our school website at <http://bci.wrdsb.ca> and sign up for school communication updates by adding your e-mail to our database. Once on the Bluevale webpage click on "**Parents/Guardians**" - "**Add your email address to your child's contact information.**" This is found at the bottom of the website page.

If you would like to receive text messages from the school, please text to 56360 and type the word "join" in your message. Your phone number must be registered in our student system before you can access this service. Please note that data rates may apply depending on your plan.

If you have any questions about this improved service, please contact the school at 519-885-4620.

School Day

Bluevale Collegiate uses School-Day--an online cashless and communication system. At Bluevale we only accept payments on School-Day or in cash. **We will no longer accept cheques.** School-Day can be accessed from any web browser and gives you real-time access to up-to-date information and the ability to: receive communication, approve permission forms online; register for extracurricular events, make online payments for student cards, sports fees, yearbooks, trips or other activities, etc. If you are not a School-Day user, please follow the link on website for more information. **If you already use School-Day please add Bluevale Collegiate to your schools.**

Not Returning to BCI?

Please let us know as soon as possible if you are moving or have had a change in plans and do not intend to return to BCI in September. Contact the guidance office at 519-885-4620 ext. 5520.

As your Principal, I am excited about all the opportunities for students at Bluevale during the 2017-2018 school year. Have a safe enjoyable remainder of the summer. I look forward to seeing you on September 5th.
