

Important Information Regarding Emails Being Sent From School-Day

School-Day has made some improvements on how messages are delivered to your inbox. Emails for products, events, and services are no longer sent in real time and rather they are bundled up in one summary email that goes out at the end of the day.

The email for the November - December pizza was all in the email titled **Daily Summary** which was sent on October 25. We are unable to revise the November – December pizza orders for those that did not read the entire message or that do not have their notifications set to 'enable'. In the short term, pizza is sold by the slice in the tuck shop at first and second break on Thursdays.

Please take a few moments to check your settings in your profile to ensure that your email notifications are set to enable.

The screenshot shows a web browser window with the URL <https://www.school-day.com/pg/family/edit/>. The page is for the Waterloo Region District School Board. The left sidebar contains navigation options: DASHBOARD, SCHOOL ITEMS, ORDERS, PARENT CONFERENCES, SCHOOLS AND GROUPS, and COLLAPSE MENU. The main content area includes fields for Work Phone (519-634-9320), Cell Phone, Password, and Confirm Password. The Email Notifications section has a dropdown menu set to 'Enable', which is highlighted by a blue arrow. Below this is a question: 'Would you like to receive email notifications about the latest events, products, and announcements sent from your school?'. The Default Language is set to 'English'. There is an 'UPDATE' button and a 'DELETE MY ACCOUNT' button. A blue arrow points to the gear icon in the bottom right of the sidebar, labeled 'Settings'.
