26 October 2018

TO: RESIDENTS OF CARYNDALE DRIVE

Dear Sir/Madam:

RE: Traffic Calming Review – Caryndale Drive

In response to requests from area residents, the City of Kitchener initiated a formal Traffic Calming Review for Caryndale Drive in January 2018. On May 23rd, 2018, an initial public meeting was held to obtain input from area residents. Based on a comprehensive review and input received at that meeting, we have now prepared and evaluated alternative traffic calming designs and developed a technically preferred alternative.

In order to obtain your input on possible solutions and the technically preferred alternative, a meeting is being held on:

**Tuesday, November 27th, 2018
7:00pm presentation
Brigadoon Public School
415 Caryndale Drive, Kitchener
Gymnasium**

You are invited to attend to review and comment on the traffic calming alternatives, including the technically preferred alternative.

If you have any further comments or concerns regarding traffic calming or traffic issues on Caryndale Drive, please contact the undersigned Monday to Friday between the hours of 8:30am to 5:00pm.

Regards,

Steven Ryder
Traffic Technologist

CC: Councillor Yvonne Fernandes, Ward 4
