

Are you a **CYBER SMART** Parent?

The internet and Social Media are here to stay, and teaching our kids to be safe and shield them against potential online danger is just another way parents can make sure their kids are protected. Just like buckling kids into safety seats, teaching them to safeguard themselves online will create a road to a very positive and rewarding experience with the internet.

Learn tips to help keep your child safe on the internet

December 14, 2015 7-9pm
Breslau P.S. Gymnasium

Detective Sandor Illes
Internet Child Exploitation Unit
