

Welcome to
**Cedarbrae
Public School**

**Back to School
"Supply List"**

Yeah!!!! It's Back to School time!

We are excited to have new and returning students and families back at Cedarbrae!

We know many families are preparing Back to School Supplies. Here is a unique list for you to consider.....

Library Card (and plan to visit the local Albert McCormick branch every other day).

Board Games – these are great at supporting children in Literacy, Math, Patience, and Problem-Solving

Puzzles – these are great toys to help spatial awareness, patience, and visual perspective

Indoor/Outdoor Shoes – your student will need a pair for both indoors and outdoors. This will help keep our school clean, and your children safe.

Box of Tissues – many classes will ask students to bring in a box of facial tissue. This will come in handy during seasonal colds!

Finally....prepare students for "Back to School" by **starting the routine of bedtime a little earlier each day**. This will help the transition back to the morning routine of school.
