Dear Parents and Students,

We had a great start up at Chalmers with over 420 students attending our school and 50 staff working with your children. We have been working hard at establishing routines and also in formalizing timetables, schedules and procedures. In moving forward it appears that students are becoming accustomed to this and embracing routines. Students are well on their way at this point experiencing the curriculum and working with teachers. Our next School Council Meeting will be October 14, at 6:30 p.m. Kerry Abbott and Heather Samuel are our co-chairs. Please join us. Vision Screening is scheduled for all Kindergarten students on October 19 and 20.

Currently we have soccer activities undergo at the school; however, with the continuous escalation of job action, many Autumn activities that we have traditionally hosted have been postponed indefinitely. At this point we do not know nor can foretell what is in hand for the future. Please check the Board's website and Twitter account for regular updates.

October 12 is Thanksgiving Day and there will be no school on that day. We have many things to be thankful for and to appreciate in our lives. I encourage everyone to take time to be with your families and to enjoy each other's company.

Best Wishes,
