Dear Parents and Students,

With the month of June also brings various activities and events planned by staff and parents. Here is a list of events and dates for the coming month: June 2—School Track and Field; June 5—Run For life; June 8—Jump Rope For Heart; June 17—Chalmers Family BBQ; June 23—PAWS Assembly (Smart Choices); June 24—Grade 6 Grad; June 25—Last Day of Classes. These are some of the major events at our school; however, please check your class calendar for events specific to your child's class.

As indicated in a recent communication sent home, EQAO has been postponed indefinitely for this year, at this point we have no indication as to whether it will be conducted at a later date. We will keep parents informed of any changes to this.

Our school website will progressively become one of our main communication tools to get information out to parents, www.cha.wrdsb.ca. We will also be using our Twitter account [@chawrdsb](https://twitter.com/chawrdsb) to inform parents of information that is current. Please familiarize yourself with both of these tools as we may be communicating further with our community in relation to a variety of events and issues.

Labour issues continue to be at the forefront of our school day. Sanctions and job action continue to change and shift on a weekly basis. As we learn more, we will communicate that information with parents via our website, the Board's website and in the form of letters. Please check your children's backpacks regularly for updates and direction. It is not necessary to call the school as we are required to communicate Ministry and Board decisions immediately to our school community.

Our PAWS Assemblies continue to evolve and so far we have had many recipients of certificates for a variety of positive attributes. We encourage all of our students to work as hard as they can to demonstrate a positive outlook and to be the best they can be.

Best Wishes,

Robert Rebellato

Principal

Parent Volunteers Needed For Family Festival June 17th

IF you plan to attend the Family Festival on June 17th, please consider volunteering for a portion of the event. Perhaps you can arrive at the school by 3:45 p.m. to help us set up, or maybe you can spare an hour after the event to help us tidy up? Otherwise, there are lots of fun ways you could help during the event (even if for an hour) by running the cotton candy machine, organizing the train cue or helping with the petting zoo to ensure everyone who wants a turn, gets one.
