Dear Parents and Players,

Your son has made a commitment to the Junior Boys Volleyball Team at Cameron Heights and this letter is to provide you with scheduling information and **student athlete** requirements. Please read over the information carefully with your child and if you have any questions you can pass them on to us with your son.

A schedule of regular season games and practices is attached. One copy can be left at home and the other can be kept in the student's locker. There are a few extra tournaments that we have entered as well and that information is as follows.

- Players are responsible for their own transportation to and from the tournament
- They will be supervised by the coaches ALL day☺
- Students need to bring their own lunch and snacks

### **Friday October 7<sup>th</sup>**

- Single Day Tournament at Westmount High School in Hamilton
- Parent volunteers will be needed to transport students
- Students need to bring their own lunch and snacks
- They will be supervised by the coaches ALL day☺

The total cost to play Junior Boys Volleyball is broken down as follows:

\$30 Student Activity Card **TO BE PURCHASED ON 'Blitz Day'**
