**PA Day - no classes**

In addition to regularly scheduled classes the evaluation day schedule (above) indicates when some exams and final evaluations have been slotted outside of the regular exam schedule (on right). Parents and students should carefully highlight where the relevant course assessments are occurring. *Please note that attendance to all classes during this week is mandatory. In addition to these exams the following are also occurring during this schedule; pre-scheduled presentations and performance based assessments.* Students must check with each of their teachers for specific details.

Parents/Guardians: Please ensure that your son/daughter is in class for ALL FINAL EVALUATION components that occur in both schedules. These are treated in the same manner as an exam in the formal examination schedule where if a student is absent, medical documentation is required. Please call the school at 578-8330 if your child is ill so that the classroom teacher can be notified of valid absences.
