

WHAT IS IT?
WHY DOES IT MATTER?

WHY CAS?

- Helps you be more balanced
- Helps you be a reflective thinker
- Helps you be a risk-taker
- A personal journey of self-discovery
- Increase collaborative skills

It is not enough to be compassionate, one must act.

Service is not simply an emotional impulse, it is a demonstration of attitudes and values.

| Activity | Service

You must be the change you want to see in the world.

The best way to find yourself is to lose yourself in the service of others.

Life is either a daring adventure, or nothing.

Everyone can be great because anyone can serve.

It is an inside vibration, it is how and not how much.

What is required?

- 18 months of varied, purposeful experiences that satisfy 7 learning outcomes.
- At least one month long, ongoing, collaborative service project.

- 1.

Identify own strengths and develop areas for growth

Demonstrate that challenges have been undertaken, developing new skills in the process

2.

3. Demonstrate how to initiate and plan a CAS experience

~~Reactive~~
Proactive!

4.

- Show commitment to and perseverance in CAS experiences

- Demonstrate the skills and recognize the benefits of working collaboratively

5.

Demonstrate engagement with issues of global significance

6.

GLOBAL ISSUES

New Global Citizens' programs are organized around one or more of the following global issues. NGC Global Issues are based on NGC student input, the UN Millennium Development Goals and the belief that EVERY YOUNG PERSON can play a role in solving them!

EXTREME POVERTY & HUNGER

Extreme Poverty & Hunger: 1.2 billion people live in extreme poverty, earning \$1.25 or less per day.

UNIVERSAL EDUCATION

Roughly 57 million children do not attend primary school (from about five to eleven years old) and over half of them are girls.

GENDER EQUALITY

Women perform 86% of the world's work and produce half of the food, but only own 1% of the farmland.

CHILD MORTALITY

More than 3 million children who die each year could be saved with inexpensive medicine.

MATERNAL HEALTH

Every year around 300,000 women die in pregnancy or childbirth, 99% of the deaths occur in the developing world.

EPIDEMICS

In 2012, malaria caused around 600,000 deaths and an additional 200 million new clinical cases, the majority of which occur in the world's poorest countries.

ENVIRONMENTAL SUSTAINABILITY

1 child dies from water-related disease every 21 seconds.

ECONOMIC SUSTAINABILITY

Youth comprise 17% of the global population, but 40% of the unemployed.

ARMED CONFLICT

Around the globe, an estimated 11.2 million to 13.7 million children have been internally displaced as a result of armed conflict.

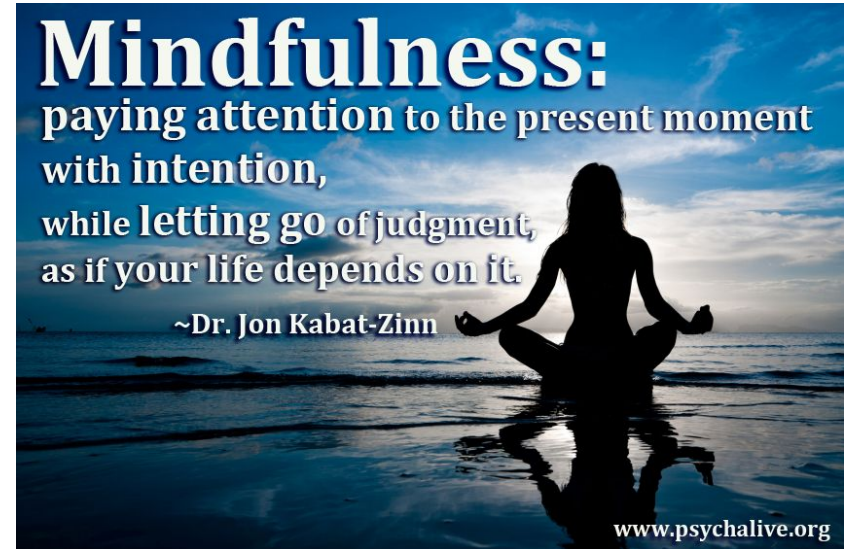

NATURAL DISASTERS

Since 1990, natural disasters have affected about 217 million people every year.

Recognize and consider the ethics of choices and actions

Now what?

We do not learn from
experience... we learn
from reflecting on
experience.

- John Dewey
