### International Student Exchanges

IB students who are interested in student exchange programs must be cautious of WHEN they embark on the exchange. The Full Diploma program must be completed in two years, so Full Diploma students need to consider exchanges in grades 9 or 10 OR in the summers. Grade 11 and 12 Full Diploma students MAY NOT miss the class time due to an exchange. Here is a Board approved program to check out if you are interested in an exchange: [ISE Ontario International Student Exchange](#)

### What is School-Day?

School-Day is an online cashless system for use by parents, teachers and office administrative staff. We are implementing School-Day to minimize the handling of cash by teachers and office staff, reduce paper, and streamline office efficiencies.

### How can I sign up for my child's School-Day account?

Parent/Guardians must create an account, and link their child to their account. Multiple parents/guardians can be linked to the same student, and multiple students can be linked to a parent/guardian.

To link your child to your account, either of the following options can be used:

- Using the student's OEN which can be found on report cards.
  - Parents will create a School-Day account and then add their child by filling in their unique student information; School Board, School Name, Student's Full Name, Student's Date of Birth, OEN, Current Grade.
- Using a secure-match key code, which can be produced by the office staff at your child's school.
  - Parents will create a School-Day account and automatically add their child by entering the secure match key code, provided by the school.

Sign-in/sign-up for School-Day.
