

## Business Studies at Cameron Heights

The Business Department at CHCI offers a wide range of courses to meet the needs of students.

Some students select Business courses with a specific college or university program in mind. Others take courses that will prepare them for the workplace. Many students will choose Business courses to develop practical, relevant, lifelong skills that will be useful in any post-secondary path. The Business Department at Cameron Heights offers courses that will meet the needs of all students.

We encourage students to refer to this pamphlet, parents, teachers, the course calendar, and the school website when selecting courses for next year.

## Interested in the IB Program?

### Business Management (Standard Level)

This International Baccalaureate course explores the key characteristics of business organization and the business functions of human resource management, finance, accounting, marketing and operations management. Students will enroll in **BOH4MW and BBB4MW** in their **Grade 11 Year**.

If interested, **BEP2OI** is strongly recommended.

## What Business Courses can I take in Grade 9?

### **BEM1OI - Building the Entrepreneurial Mindset-New for 2024-2025, replaces BTT1OI/2OI**

Students will learn what makes an entrepreneur thrive and the skills required to succeed in today's business environment. This hands-on course will use business software and applications to help students plan and develop their entrepreneurial ideas and learn how to present them to a target audience. Students will enhance their communications skills as well as develop and refine their project management skills, including goal setting, time management, and networking.

### **BEP2OI - Launching and Leading a Business-New for 2024-2025, replaces BBI1OI/2OI**

This course introduces students to the world of business and what is required to be successful, ethical, and responsible in today's economy. Throughout the course, students will explore and understand the responsibility of managing different functions of a business. This includes accounting, marketing, information and communication technology, financial management, human resources, and production.

\*\*Students are welcome to take this course in grade 9 as it does not have a pre-requisite

## BUSINESS CERTIFICATE

Successful completion of 5 business courses entitles a student to receive a Business Certificate.

# Business Studies Courses at Cameron Heights

## Grade 9 & 10 Courses

### Building the Entrepreneurial Mindset

(Open level) **BEM1OI**

**New for 2024-2025, replaces BTT1OI/2OI**

This course is highly recommended for all students. It will help them develop the entrepreneurial and digital literacy skills necessary for success in a technologically driven society.

### Launching and Leading a Business

(Open level) **BEP2OI**

**New for 2024-2025, replaces BBI1OI/2OI**

This fun course uses a variety of activities and methods to teach important personal business skills and to expose students to many functions of business.

**Note:** Students are welcome to take this course in grade 9/10 as it does not have a pre-requisite.

### Digital Technology and Innovations in the Changing World (Open Level)

**ICD2OI**

This course helps students develop cutting-edge digital technology and computer programming skills. Students will learn and apply coding concepts and skills to build hands-on projects and investigate artificial intelligence, cybersecurity, and other emerging digital technologies that connect to a wide range of fields and careers.

### Want to reach ahead?
