SECONDARY CREDIT COURSES:

New Credit

Students will complete 102 hours of teacher-delivered in-class instruction. Courses run from 8:30 a.m. – 3:00 p.m., everyday. Students can take 1 credit per summer session.

Make-Up

Students complete 51 hours of teacher-delivered in-class instruction, but achieve the equivalent of a full course credit. In order to be eligible for entry into a make-up credit, the student must have demonstrated sufficient evidence of understanding of the overall expectations to be reasonably expected by home school staff to be successful in the corresponding make-up course in summer school. Students may take up to two make-up credits: Period 1 (AM) 8:30 a.m. – 11:30 a.m., Period 2 (PM) 12:00 p.m. – 3:00 p.m.

Two Credit Co-op

Designed for WRDSB students who are unable to fit Co-op into their regular high school plan. This program is very demanding because it requires WRDSB students to have perfect attendance, be able to work 8 hour days at a Co-op placement, and to attend three 7 hour Pre-placement classes on Saturdays through May and June.

One Credit Co-op

Designed for WRDSB students who have only one credit left to complete their graduation requirements and are currently in an existing placement at the Co-op program in their home school OR who are unable to participate in the two credit Summer School Co-op program.

Online Blended New Credit Courses

Online Blended Courses provide students with a flexible learning environment where students complete the course using a variety of online resources. Students may earn up to 1 credit.

Locally Developed/Essential

Make-up credit courses will run half-day, Period 1 (AM) 8:30 a.m. – 11:30 a.m., Period 2 (PM) 12:00 p.m. – 3:00 p.m., are teacher-delivered, and you may earn up to two credits. These courses help prepare students for success in their daily lives, and in the workplace.

ESL

These courses are offered as a new credit and will run full days, 8:30 a.m. – 3:00 p.m., are teacher-delivered, and you may earn one credit. These courses will help students become familiar with school routines and to adapt to their new lives in Canada.

HOW DO I REGISTER?

Students who are currently enrolled in day school for the 2014/2015 year and have the pre-requisite for their desired course, must register with their home school guidance counselor. Registration forms will be available in the Guidance Department at your home school. Please refer to the important dates for each program for registration deadlines.

Students and/or adults who are not currently enrolled in a regular day school, and have the pre-requisite, must register at the Alternative and Continuing Education Office, on 151 Weber St. S. Waterloo, with a transcript from the last

High School attended. Our office hours for registration are 9:00 a.m. – 3:00 p.m. Please also refer to the important registration deadlines listed below for each program.

For New Credit, Blended Online, Locally Developed and ESL courses, students must register by **Thursday, June 11, 2015.**

For Make-up courses students must register by **Thursday, June 25, 2015.**

For Co-op courses – WRDSB students may pick up application packages located in the Guidance Department at your home school.

For the Two Credit Co-op Program

Attend the information session with parent/guardian on Tuesday, March 31, 2015 at 7:00 p.m. in the Cambridge Room at the WRDSB Education Centre. Submit the application form and all requested information to your guidance department by Tuesday, April 7, 2015. Completed Application packages will then be forwarded to Jenn Clark, Consultant, Learning Services-Experiential Learning, by Friday, April 10, 2015. Completion of the application and attendance at the interview and information session will not guarantee acceptance into the program.

For the One Credit Co-op Program

Students must submit the application package to their guidance counsellor by Thursday, June 11, 2015. Students will be called by the Co-op teacher of the program to arrange an interview time on Monday, June 22, 2015.

What You Need to Know – Student Information

Busing

Limited busing is provided free of charge. Bus schedule is available online at stswr.ca mid-to-late June. Students coming to school on a bus are reminded that this is a courtesy service. Unacceptable behaviour will result in loss of bus privileges. Please contact 519-650-4934 if you have any questions.

The First Day

Alphabetical name lists will be posted in the school foyer showing each registered student's room number and timetable. Each student who registers for summer school will receive a "yellow" copy of their registration form. All students should bring their "yellow" copy as proof of registration. If the student's name is not found on the alphabetical list, the student MUST provide the office staff with this yellow copy in order to enroll in their course. We ONLY call students whose course has been cancelled. All other students must report to school on the first day.

If You Miss the First Day

Students who do not attend the first day, without making prior arrangements, will be deleted from the course. Students can make prior arrangements by calling 519-885-0800 before June 29 and leaving their name, course code and summer school site.

Attendance

In order to qualify for enough hours to obtain a credit, regular attendance is a must. Students must bring a note accounting for every absence. This note must be signed by a parent or guardian and should be given to your classroom teacher. Please call the Summer School Site to report any absences: for BCI 519-885-4620, for SJAM 519-880-9979, for JHSS 519-658-4910, and

for CHCI 519-578-8330. After two (2) absences, further absence results in course removal. Two (2) lates are equal to one (1) absence. Please report to the office to sign-in when you are late to school.

Employment Related Scheduling Requests for students taking one make-up credit

If a student has a job that requires either a morning or afternoon class you must have a letter from your employer, received no later than 3:00 p.m. Friday, June 19, at the Alternative and Continuing Education Office on 151 Weber St. S. Waterloo, Fax 519-885-0123. If we receive the appropriate letter, we will do our best to accommodate the request, however there are **no guarantees**. All other students taking one make up credit MUST wait until the first day of Summer School to determine if they have been assigned to an AM or PM course. Make-up credit schools are not timetabled until the day before Summer School starts. It is not possible to switch AM or PM classes once Summer School has started.

Final Exams

All courses will have a final evaluation on the last day of school, Friday, July 24, 2015. We are unable to accommodate alternate dates or times for final evaluations. Missed tests and exams will result in insufficient evidence being available for the teacher to be able to determine successful achievement of the course expectations. This may result in a credit not being issued. A medical note from a licensed practitioner is required for absence due to illness in such cases. Compassionate reasons will be considered on a case by case basis by the site administrators.

July 2	First day of classes
July 13	Progress Report Day (For Make Up Only)
July 15	Full Disclosure

Expectations

Since students attend summer school on a voluntary basis in order to further their education, and since summer school takes place over a short period of time, it is extremely important that students maintain high standards of attendance and behaviour. Students who attend summer school should aim to make their stay productive, pleasant and to:
