Dear Parents and Students,

On behalf of the Country Hills staff, I wish to extend to all of you a warm welcome to the new school year!

Now that the first day of school has come and gone it is necessary for all of us to understand that the current classroom lists and organization in Primary and Junior are tentative in nature. A significant number of registrations and shifting numbers may force us to reorganize classrooms in order to meet government regulations around class sizes. Although we hope that our classes remain static, it is important for all of us to be aware that we may need to move students into other classes. Please understand that any changes we may have to make will be with the children's best interests in mind. I would like to thank you for your understanding around this matter. We should know more by the end of the next two weeks.

Our school day starts at 8:50 a.m. and concludes at 3:10 p.m. with our nutrition breaks at 10:50 a.m. and 1:00 p.m. It is our expectation that students arrive promptly and ready for school at the bell and enter through their assigned doors. The main door of the school has been locked for your child's and staff's security and safety. Understand that there will be no access before and after school through the main door and the door will have limited access during the day. If your child needs to be dismissed early we ask that you send a note in the planner or call us earlier in the day so that we can make arrangements for pickup.

Students will be receiving planners on their first day. These planners have been purchased by the school and there is no need for parents to send any funds. Since we are providing these planners it is our expectation that they are used daily by students and parents and care is taken to keep them in good condition. We have included a student handbook in the agenda. Please read it with your child.

I look forward to a great year and our Meet the Teacher Night will be September 13 from 6:00—7:00 p.m.

Best Wishes,
