To register for Before/After School programs register online at <http://www.wrdsb.ca/beforeafter/>.

Parents are encouraged to indicate their interest before April 30th in order for the school to determine viability for the programs. A final decision will be made in early May 2014.

Renovations Begin in May 2014 at Conestogo P.S.

As part of our Full Day Kindergarten program for next year, one of our classrooms (Rm 6) will be under construction commencing late May/early June 2014. This classroom will be expanded to 1200 sq. ft. and will contain a kitchen and washroom area to facilitate both a kindergarten class and before and after school programs. When completed our Primary pod will be outfitted with air conditioning and will have capacity for 3 FDK classrooms.

School Council News

Did you know that a dedicated group of parents on the CPS School Council meet once a month to discuss school issues and enhancements to our school community? We are thankful for their commitment and input they give to the school staff and for the many ways they contribute to the overall fundraising and 'extra things' at our school. You are always welcome to attend the meetings and can also find detailed minutes on our school website <http://con.wrdsb.ca> or posted on the School Council board in the school.

To contact someone on the School Council send an email to council.cps@gmail.com.

Notes for Parents

- Please contact the school office if you are planning on moving this Spring/Summer or you know of someone moving into the area.
- Just a reminder, for the safety of our students, there should be no student pick-up or drop-off in the parking lot at the beginning and end of the school day. Thanks for your assistance.

Thank you to our faithful volunteers who regularly come and assist our teachers and students in their learning. Without you, our school would not be able to accomplish all that we do. Your commitment to our school community is very much appreciated.
