

# CPS Parking & Road Crossing

## Your Child's Safety Comes First

### No-Stopping Zones on Sawmill Road:

Please obey the "No Stopping" zones in front of our school on both sides of Sawmill Road.

Why? **No Stopping** here: it blocks the crossing guard's line of sight. **No parking** here: high traffic volume makes vehicle entry and exit very unsafe. You may incur a \$20 ticket.

### Crossing Sawmill Road:

If you need to cross Sawmill Road, please use the Crosswalk.

### School Parking Lot is Off-Limits:

9:05am - 9:25am

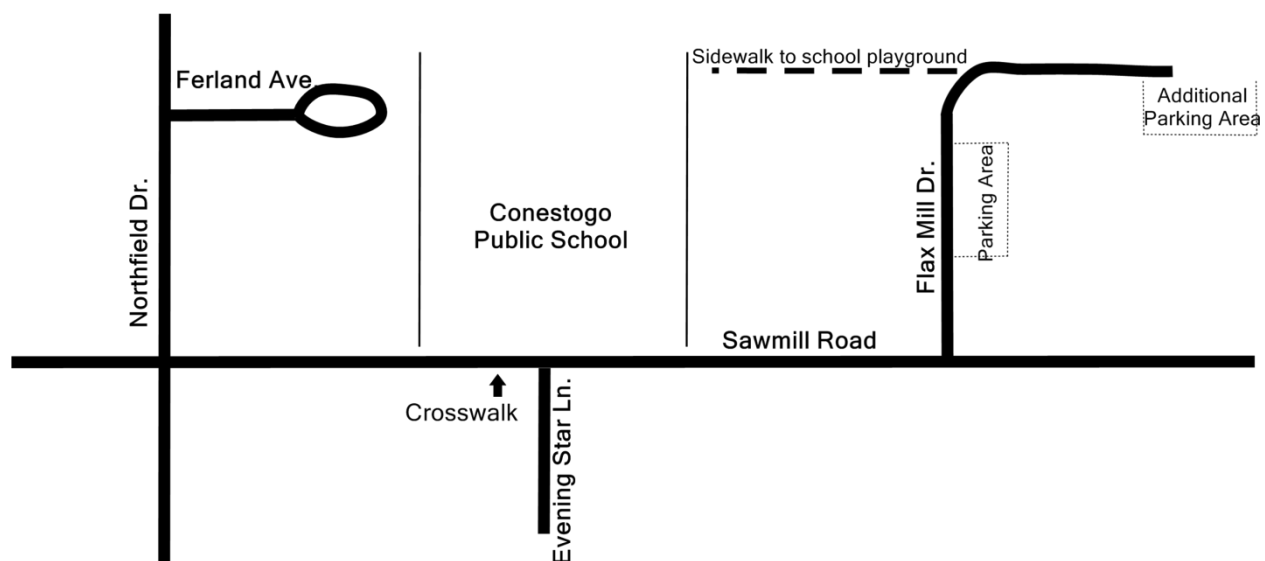

Why? To accommodate the safe arrival and departure of our school busses and the children they carry.

3:35pm - 3:55pm

### Parking, Picking Up & Dropping Off

Area 1 - Flax Mill Drive: - Just East of the School. A sidewalk connects the parking lot to the playground.

Area 2 - Ferland Avenue: - A roundabout with street parking.
