- √ Do you want to be an important partner in the education system, whose views are valued?
- √ Do you want to contribute to the shared goal of improving student achievement?
- √ Do you want to have a vehicle through which to express opinions?
- √ Do you want to be able to keep informed about what is happening at the school and the board, and at the provincial level of education?

By participating on the Conestogo Public School Council you can achieve all of these objectives, plus make a difference in the lives of children at Conestogo Public School.

School Council is a group of volunteers who work together to provide ideas and opinions to help the principal, make Conestogo Public School a better place for our children to learn. The School Council provides a forum for discussing educational and school related issues. It also provides a way to get information to parents/guardians, get feedback from them, and present their ideas and concerns to the school and the School Board. Monthly meetings will be held the third Thursday of the month in the library at 7:00 p.m.

Would you like to be a parent representative on the School Council? Would you like to join a team of dedicated parents/guardians and staff committed to improving the learning of the children at Conestogo Public School?
