Beware

The WRDSB 2015 Pumpkin Patrol will be back on our streets

Once again, this year a number of School Board volunteers will be patrolling our school sites on Friday October 30th and Saturday October 31st evenings.

During these two nights, the "Pumpkin Patrol" will randomly patrol the Waterloo Region District School Board facilities as well as a watchful for any problems that may occur while the children are out "trick-or-treating".

Staff have experienced a reduction in vandalism at Board facilities as a result of this program. The program acts as a deterrent in decreasing the amount of activities, damage to the schools and helps ensure increased safety to our children who may be out on the fun filled evenings.
