Dear Parents,

We are once again creating the yearbook completely online with TreeRing. TreeRing takes advantage of the latest technology and allows students to create their own personalized pages which will appear ONLY in their copy of the yearbook. This will commemorate each child's unique school experience. This online process reduces the carbon footprint and invests in our planet's future by **planting a tree for every yearbook printed!** The instructions are attached for the creation of your 2 custom pages and for ordering your copy online. **Personalized pages must be completed by June 29<sup>th</sup>.** You may order online without creating the personalized pages – see the reverse of this letter for instructions.

Consider the value of having a record of this school year, a value which only increases as time passes and memories fade. The Yearbook will be full of photos of students and pages documenting events, activities and teams of the 2014-2015 school year. It has been a fun-packed year with lots of special activities and we will try to include as many as possible. Because of the number of activities and events taking place in the last week of June, the yearbook will be completed in July and available in September for students.

Graduating students will have their yearbook delivered to their High School. Returning students will receive their book in September. An announcement will be made in early September to inform students of the status of their book. We will also post information on the Doon Website: <http://doo.wrdsb.on.ca/> and on our Facebook page <https://www.facebook.com/doonpublicschool>

We strongly encourage you to take advantage of the online ordering but realize some families may not be comfortable ordering online so we accept paper orders and will order via TreeRing for you (**however, you will be unable to create your own custom pages**). If you wish to have Doon order on your behalf, please send a cheque (made out to Doon Public School) or exact cash for \$18.00. Please return the bottom portion of this letter with your cash or cheque payment **by June 8<sup>th</sup>, 2015**. Forms and payment are to be handed into Mrs. Karageorgos in the office.

If your family will not be in Waterloo Region in September, please let the office know where we can mail your copy.
