

# Empire P.S. Food Drive!

Dear Families,

In an effort to support those in need, a food drive is currently underway at Empire Public School! This initiative was launched on Monday, November 6th and will continue until Thursday, November 30th. We need your support!

According to the Food Bank of Waterloo Region, approximately 1 in 20 households are hungry. Last year alone, more than 31 000 men, women, and children received assistance in our region. Thankfully, Empire's 2016-2017 food drive helped provide over 1,130 meals to hungry neighbours in our community to support these efforts! Let's try to exceed that number this year!

The following is a list of the Food Bank's most needed non-perishable items:

- canned meat and fish
- canned fruit
- stews and chili
- beans in sauce
- tomato sauce
- dry beans
- rice
- peanut butter

We thank you in advance for your anticipated kindness and generosity in supporting this incredibly worthwhile cause!

Sincerely,

The Empire P.S. Food Drive Committee
