School-based child care programs offer you access to high quality programs in one convenient location, with no waiting lists.

Programs are offered from 7am to 6pm, Monday to Friday, PD Days, March Break and the non-statutory week at Christmas.

All programs offer:

- flexible registration
- nutritional snacks
- age-appropriate programming and resources

Check www.beforeafter.wrdsb.ca for 2013-2014 rates.

Please go to www.wrdsb.ca to register before Tuesday, April 30, 2013.

Child care programs start at the beginning of each school year. A minimum number of children are required to operate programs. Registration happens early in the calendar year to determine if there is enough interest to run a program at a given school. The number of children registered by Tuesday, April 30, 2013 will determine if a program will run in September. Parents will be notified in early May if a program at their school will operate.
