

School-Day is coming!

We're excited to announce that our school will be using School-Day for online cashless transactions and related communications.

Effective September 2016, items such as Student Cards, Yearbooks, Team Fees and other school-related items will be available for purchase online.

School-Day can be accessed from any web browser and gives you real-time access to up-to-date information, and the ability to:

- ✓ View announcements, news, and school information
- ✓ Approve permission forms online
- ✓ Register your child for extracurricular events
- ✓ Make online payments

We look forward to using this new system with you, and we are certain that you will find the School-Day portal very useful.

More information about how to register will be sent home with your son/daughter on the first day of school (September 6, 2016).
