

### **Holiday Assemblies 2014**

Franklin Public School will be having Seasonal Assemblies on Tuesday, December 16, Wednesday, December 17, Thursday, December 18 and Friday, December 19, 2014. Franklin has a tradition of holding Holiday Assemblies, and each assembly will be approximately one hour and 15 minutes (except for our FDK Concert which will be approximately forty-five minutes).

One of several advantages to our Seasonal Assemblies is that virtually every student is involved, and we can make ongoing connections to our Character Development initiative. Parents are welcome to attend any or all assemblies. The following is a schedule of the performances for each day.
