

Blended Learning Day - Semester 2 - 2023-2024

Secondary teachers will be engaging in Professional Development to support the expansion of de-streaming and single streaming. For students, these days will be similar to our Instructional Support Days, where **students are not required to attend in-person**, but will have learning provided through the virtual classroom and meetings with their teachers. Attendance will be taken, but in-person attendance will be optional on these days.

The Blended Learning Days are on the following dates,

- Wednesday February 28, 2024 - **Week 2**
- Wednesday May 08, 2024 - **Week 1**

Please note:

- A supervised study space will be available in the morning for students who wish to attend.
- Blended Learning Days are instructional days.
- **Attendance will be taken so students must engage online or in person.**
- ACE students will attend school with regular programming and following regular attendance procedures.
- Transportation will run at regular times
