

Glenview Park Secondary School Mid-Semester Exam/Evaluation Schedule November 9 & 10 2023

On the November 9 and 10 Exam/Evaluation Days, students who do not have in-person assessments (e.g., performances, conferences, evaluations) are not required to attend school. Instead, learning opportunities such as catch-up work or review can be accessed remotely. Teachers may offer synchronous drop-in learning opportunities or may offer asynchronous learning via the Virtual Learning Environment (VLE). Teachers will communicate expectations for these days, and will notify specific students if in-person attendance is required. Transportation will run at regular times.
