Grand River Collegiate Institute FINAL EVALUATION and EXAM DAYS

The Rules....

From the Ministry of Education:

"30% of the grade will be based on a final evaluation, performance, essay and/or other method of evaluation suitable to the course content and administered near the end of the course."

There is an expectation that students complete all parts of a course's final evaluation. Students who do not complete or write the final exam do not take advantage of the opportunity to provide recent evidence to verify or confirm their consistent level of performance, at the end of a course. If a student does not provide some significant evidence in the form of a final exam or final evaluation components (e.g. assignment, lab, presentation, performance task, etc.), it may result in him/her attaining a reduced grade and/or failure based on the overall evidence as reflected in the term work and final evaluation components.

Absences: All final examinations must be written on the days and at the times shown on this evaluation schedule. **It is each student's responsibility to be in the right place at the right time.** During the in-class evaluation days of June 16th – June 21st, students are expected to attend all classes. A medical certificate may be required if a student is absent and a final evaluation is scheduled. Vacations are not valid reasons to miss an exam. During the exam days of June 22nd – June 28th, students are required to be in school only when they need to write an exam. If a student is absent for an exam, a medical certificate must be submitted by the last day of the exam cycle.

Lates: Plan to arrive 30 minutes before the exam to prepare and to return texts. If you arrive late, report to the Main Office. There may be a time penalty for late arrivals.

Conflicts: A conflict is when two exams are scheduled for a student in the same time slot. Students with conflicts should see **Ms. Watters by June 3rd, 2016 to complete a Conflict Resolution form.**

Materials: Students should leave books, coats, and electronic devices in their lockers. Only writing implements and other approved aids should be brought into the exam room. Calculators are allowed on all exams unless instructions at the top of the exam state otherwise (cell phones **MAY NOT** be used as calculators). If brought into the room, all handheld electronic devices must be powered off and stored out of sight for the duration of the exam. Any students found using unapproved examination aids will be referred to their VP for disciplinary measures.

While in the Exam: Students are not to remove any paper from the examination room. No talking during the exam. Sit where instructed to by the exam supervisor and remain seated until all the papers are received and the teacher dismisses the class.

NO EARLY DISMISSAL for any exam. Leave the school following an exam. **DO NOT** go to lockers if exams are still being written. Students will wait until all exams are collected before being dismissed.

Study Areas: The Library will be open for quiet study during exams during regular library hours. Students who wish to talk, eat, or study in groups may use the cafeteria. **All other areas of the school are out of bounds.**

Important information related to school closures and/or exam postponement can be found on the back.
