

Sports in Society—Electronic Resource Support

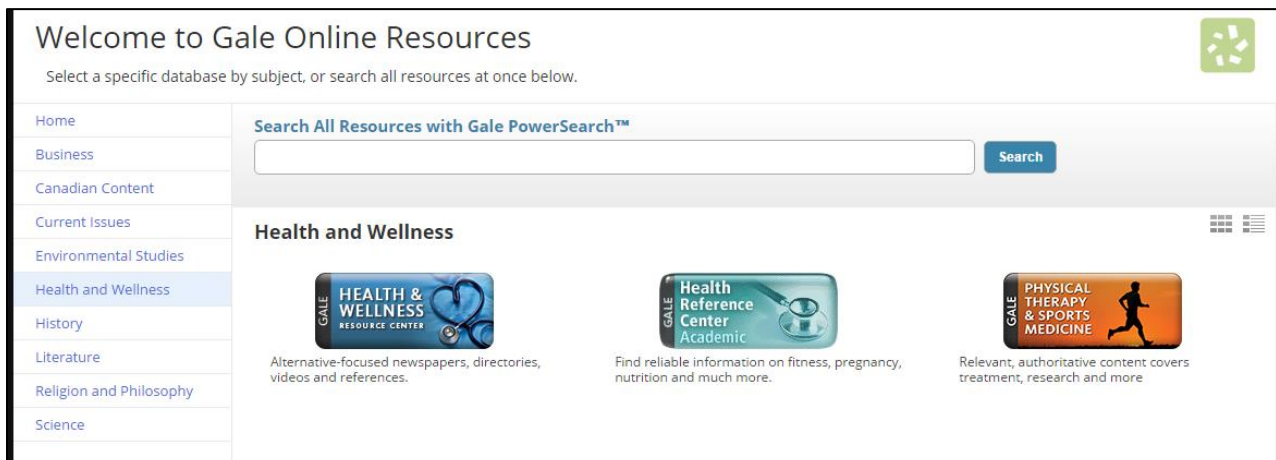

Consider using the Virtual Library—there are at least three excellent databases that are suited specifically to this assignment.

Using Chrome, go to library.wrdsb.ca to access the Library Learning Commons. Scroll down to Virtual Library-Secondary. Select **Gale Online Resources**.

The screenshot shows the Library Learning Commons website. The navigation bar includes Home, My Account, Learning, Discovery, Staff Resources, About, and Login. A search bar is present with the text "GRAND RIVER C.I." and "Keywords". Below the navigation bar, there are two tabs: "Virtual Library - Elementary" and "Virtual Library - Secondary". The "Virtual Library - Secondary" tab is active, showing a grid of resources. A red arrow points to the "Gale Online Resources" database icon in the "Databases" section. Other resources include OverDrive, Infobase eBooks, Capstone, EBSCO Search, EBSCOhost Secondary, OurOntario, CAN Points of View, Teen Health, NovelList Plus, Naxos Music, and various Encyclopedias.

Next, select “Health and Wellness” to access 3 main databases connected to this assignment. Once you find an article to use, you can download it to your Google Apps account, along with its correct citation information. By doing this step, you can also use the “highlight” tool to paraphrase the main points of your article.

The screenshot shows the Gale Online Resources website. The header says "Welcome to Gale Online Resources" and "Select a specific database by subject, or search all resources at once below." There is a search bar with the text "Search All Resources with Gale PowerSearch™" and a "Search" button. Below the search bar, the "Health and Wellness" section is highlighted. It features three database options:

- HEALTH & WELLNESS RESOURCE CENTER**: Alternative-focused newspapers, directories, videos and references.
- Health Reference Center Academic**: Find reliable information on fitness, pregnancy, nutrition and much more.
- PHYSICAL THERAPY & SPORTS MEDICINE**: Relevant, authoritative content covers treatment, research and more.
