# Camp Program

Each camp session is matched with age-appropriate themes that are developed throughout the week. Games, skits, songs, crafts, stories and other activities bring the theme to life in fun and stimulating ways. Campers are encouraged to live out what they are learning while eating, swimming, wall-climbing, building friendships with each other and of course after they leave camp at the end of the week!

## What Does Peace Have To Do With Me?

This summer campers and staff will explore the theme of peace and peacemaking and what this can mean in their lives. How can we avoid, minimize and resolve conflict? What should we do when we're feeling troubled or angry? How is peace more than just the absence of fighting? What can we do to make this world a more just and peaceful place? Jesus perfectly demonstrated God's peace. He's the one who made it possible for us to experience peace ourselves and to reflect it to others. Let's discover together how peace can be a growing reality in our own lives and how we can help peace to grow in our world.
