First week of the Breakfast Club program went well – currently it is snack foods but will progress into full meals that parents can sign up for on School Day if it remains a success.

Link is coming out for parents/grandparents to sign up to volunteer.

Brad is in the early stages of organizing the Nutrition for Learning program – will have more information next meeting.

8. Ashley has made a request to consider using fundraising money to upgrade our fridge and freezer. She will check space available and get prices for upgrades by next meeting
