

# COUGARS CARE, even when no one is watching!

I include and work well with others.

I try to solve problems.

I share and lend a helping hand.

I am flexible.

## Cooperation

I take ownership for my words and actions.

I honour the agreements we have made.

I speak up, even when it's unpopular.

I do whatever it takes to honestly get the job done.

## Accountability

I take care of myself, others, and our environment.

I take care of the school, and others' property.

I appreciate differences in others.

I balance my life.

## Respect

I celebrate other people's successes.

I try to understand the opinions and feelings of others.

I treat others the way I want to be treated.

I think, speak, and act to make the world a better place.

## Empathy
