Principal's Message

It's been an amazing month of June at Hespeler PS. We have been busy with year end trips, assemblies, track and field, Kindergarten celebrations, Grade 8 graduation, report cards and lots of preparation to make 2018/19 our best year yet!

It is with great sadness that we said goodbye to our beloved PE teacher, Mr. C! Steve Chiasson has been teaching at Hespeler for 30 years and has been instrumental in creating the fabulous physical education and health program that we have here today. We will miss him. We have also said goodbye to Laurel Borthwick (LTO), Tara Hall (LTO EA), and Jessica Horvat. We wish them all the best in their future endeavors. With excitement we welcome Kathleen Campagna to Hespeler as grade 2/3 teacher, and Jacqueline Duff who is returning to Hespeler in her role as Educational Assistant. We are also lucky to have Lynn Glass returning in the fall teaching Grade 1/2.

In keeping with privacy legislation and to keep our kids safe, the Waterloo Region District School Board will not publicly post class lists in advance. This means that students will find out their teacher's name when they arrive at school on Tuesday, September 4, 2018. Students will gather at the back of the school on the first day where they will meet their teacher. In the event of rain, students will gather in the gym.

Congratulations to our Grade 8 Graduates. Our school community wishes you all the best for your high school years and beyond.

We are so proud of our students and would like to wish each and every one of you an amazing summer. Be safe, have fun, and make lots of memories.

See you September 4th. Have a great summer!

R. Jutzi and A. Ficic
