"Together We Make Learning Happen"

January 23, 2017

Dear Parents/Guardians:

Re: Swim to Survive Program

As you know, your child was provided with the opportunity to participate in the Swim to Survive program. Despite the costs involved for transportation, we were very fortunate to provide this opportunity for our students at no cost because of the very generous contribution from Kitchener Utilities. We would like to formally thank Kitchener Utilities for this very kind and helpful support to ensure that all of our students could access this very important program. We would also like to thank our teachers, staff members and parent volunteers who all took the time to coordinate this program and supervise our student participants. We are very grateful!

Sincerely;

Mrs. Karen Tomlin
