Everybody's Talking

Fairies in the forest: Travelers driving through British Columbia, Canada will be charmed if they visit the Enchanted Forest (not far from Revelstoke). The forest contains cement figurines sculpted by Doris Needham who owned the property. The people who bought the property decided to keep the Enchanted Forest open for visitors and run it as a family business.

Soaking in the minerals: Milk River is a resort town located in south-central Jamaica. A local mineral spring, called Milk River Bath, attracts tourists who are looking for relief from rheumatoid arthritis. The waters are 90°F to 95°F (32°C to 35°C) year round, and contain minerals such as calcium and sulphate. Bathers are encouraged to soak between 10 and 20 minutes no more than 3 times per day.

Evasive cow: A cow in Nysa County, Poland demonstrated her great will to survive. The time arrived for the bovine to be taken to the butcher, but upon her sighting the truck she too off over a fence before workers could corral her. Heading across a field and swimming across a lake to a small island she enjoyed her new island life more than the alternative!

Did You Know...

One wife: American actor Jack Nicholson is famous for his roles in many movies, including *One Flew Over the Cuckoo's Nest* and *The Shining*. He has had several long-term relationships but was married only once, to Sandra Knight from 1962 to 1968.

Little lake: The small country of Slovenia, which borders Austria, Hungary, Croatia, and Italy, is home to Bledsko Jezero (Lake Bled). This glacial lake in the country's northwest attracts tourists in both summer and winter for recreational activities.

Bird's-eye view: Auckland, on New Zealand's North Island, is home to the Sky Tower. At 328 metres (1,076 feet) high, the tower has a revolving restaurant and great views. The adventurous can even arrange to go bungee jumping.

On the Lighter Side

Golfer: "Why do you keep looking at your watch?"

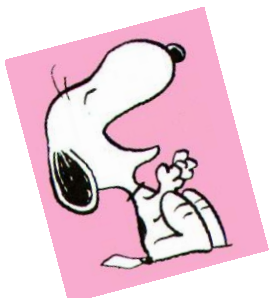

Caddy: "This isn't a watch. It's a compass."

What is the best time to take a Rottweiler for a walk? Any time it wants to go.

I'm so unlucky that I get paper cuts from get well cards!

How does an elephant get down from a tree? Sits on a leaf and waits until autumn.

Laugh and the world laughs with you. Cry and you have to blow your nose.

Research Help

Check out our library website at hrh.wrdsb.ca/library if you need help starting your research. Still require assistance? Chat with Miss Reoch – she will be happy to help!!

Quotes of the Month

"Error is a hardy plant; it flourisheth in every soil." Martin Farquhar Tupper

"Politics is not an exact science." Otto von Bismarck

HHSS Husky Series Book Club

The library at Huron Heights sponsors one book club – the Husky Series. The first meeting for this school year is scheduled for October 5, 2018 (Husky Series) during the 2nd half of your lunch in the library. Please speak with Miss Reoch for further information.

The Writers Corner

Do you enjoy writing? Ever consider submitting your work to a writing festival? If not, take a look at these possibilities!!
