

TITLE: What School Staff Are Learning: November 13 PD Day

Hello Huron Heights S.S. families,

Monday, November 13, 2023, is a professional development (PD) day for elementary and secondary school staff.

- Students will not attend school, in person or virtually
- All board-operated Extended Day and Youth Development programs will be closed

PD days are held throughout the school year to provide learning opportunities for school-based staff. This professional learning focuses on providing educators and staff with the knowledge and skills needed to support and enhance student achievement and well being.
