

John Darling
"Family Math Night Fun"

Wednesday, May 11, 2016
6:30 - 7:30 p.m.

You are invited to come and play some "hands on" interactive math games that you can play at home with your child(ren).

4 x 15 Minute Rotations
will allow you to try up to 4 different activities at the same or different grade levels.

Parent resources will be available
at the Welcome Table.
