Round Table Topics

First Day of School Planning?

- How should we get the Council word out?
- Should we have someone at Kindergarten Orientation.
- We will start an email thread closer to start of school and put together a meeting and/or email to set something up.

Teacher Appreciation Day

- Does Council want to do something?
- Can't do a lunch as Council money is Board money -we can't spend it on food.
- People should feel free to forward any suggestions and Holly Smith will determine if it meets policies.
