

Hello Grade 5 Families! It's bake sale time ☺

It is a John Mahood tradition for the grade 5 students to host a bake sale every year at Mahoodfest. I'm sure you've had a chance to enjoy some treats in previous years, and now it's your chance to contribute to this great sale!

If you are able to contribute some baked goods for us to sell, we would really appreciate it. Any nut-free items are welcome and can be dropped off at the school no later than 4:00pm on Mahoodfest day (Tuesday, June 21st). It is preferred for smaller items to be packed in individual sizes (for example, 2 cookies in saran wrap, or a scoop of carmel corn in a ziploc

baggie) and NOT in containers that need to be returned to you. Whole pies and cakes have also been popular in the past.

We will be asking the grade 5 students to volunteer to make posters, price items, and take shifts selling the goodies at Mahoodfest. Please discuss this with your child and sign up below.

Thank you in advance for your help and contributions to this great event!
