SPECIALIST HIGH SKILLS MAJOR

students focus their secondary education toward the career pathway of their choice.

KCI OFFERS THREE SECTORS

Health and Wellness centers on courses which complement all jobs related to physical, mental and spiritual health.

Environment directs students toward courses which enhance global wellness.

Information and Communication

Technology includes courses which develop the technical skills needed to work with electronic systems.

IT'S EASIER THAN YOU THINK

- ◆ 4-5 sector specific courses
- ◆ 7-8 program specific certificates and certifications
- ◆ Two credits of a related coop-Plans change, so students not currently planning to take a coop does not preclude a student from joining and participating in the many learning opportunities.
- ◆ 3 related contextualized learning activities

KEY BENEFITS

- ◆ Develop specialized skills and knowledge
- ◆ Gain sector-recognized certification and career-relevant training
- ◆ Identify, explore and refine career goals and make informed decisions about the future.
- ◆ Access eligibility for post secondary SHSM scholarships and KCI's own Sharp Bus Lines SHSM scholarship
- ◆ Enhance job and post secondary applications
- ◆ Receive two days of First Aid and CPR with defibrillator training, level C certification valid for three years. All costs covered by the Ministry of Education
- ◆ Have achievements recognized on the transcript and receive an embossed SHSM red seal on the Ontario Secondary School Diploma
