

Keatsway Science Fair Registration Form

The fair will be non-competitive. All participants will receive a certificate of participation to be awarded by the reviewing Science Professional. **Registration will take place March 1st & 3rd from 3:30-4:00 pm and March 2nd, 3rd, 4th, & 7th from 8:45-9:20 am, in front of the gym.** Display boards are to be picked up at this time. Since the boards are large (4'), arrangements should be made by parents to get them home. A maximum of two students per exhibit will be allowed. A fee of **\$3 per person** is required with registration, to help offset the costs of running the Science Fair (recognition certificates and display boards). **If students are working together, each student will need to submit the \$3 registration fee; however only one registration form must be completed.**

We ask that participants not provide rewards of any kind (including candy or other food) to people viewing their project.

Please complete this form and bring to one of the registration sessions, with your \$3 fee

Student(s) Name(s) _____

Grade, Classroom & Teacher _____

Name of Project (for certificate) _____
