Keatsway Family Science Night Registration Form

Registration sessions will take place in front of the gym on February 15, 21 & 22, 9:00-9:30 am and 3:40-4:00 pm. Display boards are to be picked up at this time. Since the boards are large (4'), arrangements should be made by parents to get them home. A fee of \$2 per person is required with registration, to help offset costs. If students are working together, each student will need to submit the \$2 registration fee; however only one registration form must be completed.

We ask that participants <u>not</u> provide rewards of any kind (including candy or other food) to people viewing their projects.

Please complete this form and bring to one of the registration sessions, with your \$2 fee Student Name(s) Grade, Classroom & Teacher			
		Name of Project (for certificate)	
		Category of Exhibit	□Study □Invention
Category of Project: ☐Animals & Plants ☐Human Body	Machines & Technology ☐ The Environment☐ Earth & Universe ☐ My World
